

PATTERSON FINANCIAL SERVICES DEFERRED PAYMENT PROGRAM

At Patterson Dental, our purpose is to “strengthen the people who keep us healthy.” This purpose guides us as we face the difficult challenge of responding to the coronavirus (COVID-19) disease and meeting the unique needs of the market we serve.

During this unprecedented time, when many dental practices are following the Centers for Disease Control and Prevention (CDC) guidance to postpone elective procedures and therefore operate on an extremely limited basis, we want to provide some financial relief. **Customers can now elect to defer payments on Patterson Financial Services loans for up to 90 days.**

To request this special deferral program, email pattersonfinance@pattersoncompanies.com and include the reference number from your latest Patterson Finance Statement or your customer number and name.

This special deferral program is only applicable to Patterson Financial Services loans and does NOT apply to Patterson Dental regular merchandise accounts.

Additional information about how the program works and common questions are covered in the included Frequently Asked Questions.
