

## Rock Solid Business Systems That Work

This course is dental business bootcamp 101 for new and established dental offices that are looking to improve efficiency and ignite growth in their practices. From creating a strong foundation to unlocking the systems and strategies for long term sustainable growth, this course offers something for even the most successful practice owners.

- Understand the systems for maximizing production every day
- The most important 10 minutes of your day and what to do with it
- Learn how to increase patient retention and get more referrals
- Developing total accountability in the workplace
- Learn how to engineer engaging and productive team meetings to keep everyone aligned

### OUR SPEAKER

**Ragan Hartman | Executive Coach  
Fortune Management**

Ragan Hartman brings over 20 years of leadership experience to the healthcare industry and has dedicated herself to identifying and studying the distinctions in outstanding practice management and leadership, sharing with doctors how to specifically transform their practices into team oriented, low-stress, highly profitable businesses. By supporting teams in creating a culture of accountability and follow through, and then implementing proven systems to enhance efficiency and overall productivity, her clients have seen impressive growth while reducing stress and increasing overall job satisfaction.
