## **SAFETY DATA SHEETS**

# This SDS packet was issued with item: 077062490

The safety data sheets (SDS) in this packet apply to one or more components included in the items listed below. Items listed below may require one or more SDS. Please refer to invoice for specific item number(s).

077062409 077062417 077062425 077062433 077062441 077062458 077062466 077062474 077062482 077062508 077076789 273045119 273045685

Version number 1 Revision: 30.07.2012 Printing date 30.07.2012 1 Identification of the substance/mixture and of the company/undertaking · Product identifier · Trade name: VITA ENAMIC · Article number: EC4... · Relevant identified uses of the substance or mixture and uses advised against Not determined • Article category AC4 Stone, plaster, cement, glass and ceramic articles · Application of the substance / product Auxiliary for manufacture of dental prothesis · Details of the supplier of the safety data sheet · Manufacturer/Supplier: VITA Zahnfabrik H. Rauter GmbH & Co. KG Postfach 1338 Tel.: 07761/562-0 D 79704 Bad Säckingen Fax: 07761/562299 e-mail: info@vita-zahnfabrik.com • Emergency telephone number: Tel.: ++49-(0)7761-562-0 2 Hazards identification · Classification of the substance or mixture · Classification according to Regulation (EC) No 1272/2008 The product is not classified according to the CLP regulation. · Classification according to Directive 67/548/EEC or Directive 1999/45/EC Void · Information concerning particular hazards for human and environment: The product does not have to be labelled due to the calculation procedure of the "General Classification guideline for preparations of the EU" in the latest valid version. · Classification system: The classification is according to the latest editions of the EU-lists, and extended by company and literature data. · Label elements None · Labelling according to EU guidelines: Observe the general safety regulations when handling chemicals The product is not subject to identification regulations under EU Directives and the Ordinance on Hazardous Materials (German GefStoffV). · Safety phrases: 29 Do not empty into drains. · Other hazards · Results of PBT and vPvB assessment · **PBT:** Not applicable. · vPvB: Not applicable. **3** Composition/information on ingredients · Chemical characterization: Mixtures AC4 Stone, plaster, cement, glass and ceramic articles article • Description: Porous sintered ceramic network whose pores are filled with plastic. · Dangerous components: Void • Additional information For the wording of the listed risk phrases refer to section 16.

Revision: 30.07.2012

#### Trade name: VITA ENAMIC

(Contd. of page 1)

#### 4 First aid measures

- · Description of first aid measures
- · General information No special measures required.
- · After inhalation Supply fresh air.
- · After skin contact Generally the product does not irritate the skin.
- · After eye contact Rinse opened eye for several minutes under running water.
- · After swallowing If symptoms persist consult doctor.
- · Information for doctor
- Most important symptoms and effects, both acute and delayed No further relevant information available.
- · Indication of any immediate medical attention and special treatment needed
- No further relevant information available.

#### 5 Firefighting measures

- · Extinguishing media
- · Suitable extinguishing agents
- CO2, powder or water spray. Fight larger fires with water spray or alcohol resistant foam.
- Special hazards arising from the substance or mixture No further relevant information available.
- · Advice for firefighters
- · Protective equipment: No special measures required.

## 6 Accidental release measures

- · Personal precautions, protective equipment and emergency procedures Not required.
- Environmental precautions: Do not allow product to reach sewage system or any water course.
- Methods and material for containment and cleaning up: No special measures required.
- · Reference to other sections
- No dangerous substances are released.
- See Section 7 for information on safe handling
- See Section 8 for information on personal protection equipment.
- See Section 13 for disposal information.

#### 7 Handling and storage

- · Handling
- **Precautions for safe handling** No special measures required.
- Information about fire and explosion protection: No special measures required.
- · Conditions for safe storage, including any incompatibilities
- $\cdot$  Storage
- Requirements to be met by storerooms and receptacles: No special requirements.
- Information about storage in one common storage facility: Not required.
- Further information about storage conditions: None.
- · Storage class 10
- · Specific end use(s) No further relevant information available.

8 Exposure controls/personal protection

• Additional information about design of technical facilities: No further data; see item 7.

(Contd. on page 3)

Printing date 30.07.2012

Version number 1

Revision: 30.07.2012

(Contd. of page 2)

Trade name: VITA ENAMIC

· Control parameters

· Ingredients with limit values that require monitoring at the workplace:

The product does not contain any relevant quantities of materials with critical values that have to be monitored at the workplace.

• Additional information: The lists valid during the making were used as basis.

· Exposure controls

· Personal protective equipment

- General protective and hygienic measures
- The usual precautionary measures are to be adhered to when handling chemicals.
- · Respiratory protection: Not required.
- · Protection of hands: Not required.
- · Material of gloves -

\*

· Penetration time of glove material -

• Eye protection: Not required.

## 9 Physical and chemical properties

<ul> <li>Information on basic physical and chemic</li> <li>General Information</li> </ul>	in properties	
· Appearance:		
Form:	Solid.	
Colour:	According to product specification	
· Odour:	Odourless	
· Odour threshold:	Not determined.	
· pH-value:	Not determined.	
· Change in condition		
Melting point/Melting range:	undetermined	
<b>Boiling point/Boiling range:</b>	undetermined	
· Flash point:	Not applicable	
· Flammability (solid, gaseous)	Not applicable.	
· Ignition temperature:		
Decomposition temperature:	Not determined.	
· Self-igniting:	Product is not selfigniting.	
· Danger of explosion:	Product does not present an explosion hazard.	
· Explosion limits:		
Lower:	Not determined.	
Upper:	Not determined.	
• Oxidizing properties	Not applicable	
· Vapour pressure:	Not determined.	
· Density at 20°C:	$2 g/cm^3$	
· Relative density	Not determined.	
· Vapour density	Not determined.	
· Evaporation rate	Not determined.	
· Solubility in / Miscibility with		
Water:	Not miscible or difficult to mix	
· Segregation coefficient (n-octanol/water):	Not determined.	
· Viscosity:		
dynamic:	Not determined.

kinematic:

Not determined.

0.0 %

Solvent content: Organic solvents:
Other information

No further relevant information available.

## 10 Stability and reactivity

- · Reactivity No decomposition if used and stored according to specifications.
- · Chemical stability No decomposition if used and stored according to specifications.
- Thermal decomposition / conditions to be avoided: No decomposition if used according to specifications.
- · Possibility of hazardous reactions No dangerous reactions known
- $\cdot$  Conditions to avoid No further relevant information available.
- · Incompatible materials: No further relevant information available.
- · Hazardous decomposition products: No dangerous decomposition products known

## 11 Toxicological information

· Information on toxicological effects

- Acute toxicity:
- · Primary irritant effect:
- on the skin: No irritant effect.
- on the eye: No irritating effect.
- · Sensitization: No sensitizing effects known.
- Additional toxicological information:

The product is not subject to classification according to the calculation method of the General EU Classification Guidelines for Preparations as issued in the latest version.

When used and handled according to specifications, the product does not have any harmful effects to our experience and the information provided to us.

## 12 Ecological information

- · Toxicity
- Aquatic toxicity: No further relevant information available.
- Persistence and degradability No further relevant information available.
- · Behaviour in environmental systems:
- · Bioaccumulative potential No further relevant information available.
- · Mobility in soil No further relevant information available.
- · Results of PBT and vPvB assessment
- · PBT: Not applicable.
- · vPvB: Not applicable.
- · Other adverse effects No further relevant information available.

## 13 Disposal considerations

- Waste treatment methods
- *Recommendation Disposal must be made according to official regulations.*
- · Uncleaned packaging:
- · Recommendation: Disposal must be made according to official regulations.

## **Further Information**

medical device

#### 2. Hazard(s) identification

#### **Classification of the chemical**

#### 29 CFR Part 1910.1200

This mixture is not classified as hazardous in accordance with Regulation 29 CFR 1910.1200(d).

#### Label elements

#### Hazards not otherwise classified

No information available.

#### 3. Composition/information on ingredients

#### **Mixtures**

**Chemical characterization** 

Stone, plaster, cement, glass and ceramic articles

#### 4. First-aid measures

#### **Description of first aid measures**

## After inhalation

Provide fresh air.

## After contact with eyes

Rinse immediately carefully and thoroughly with eye-bath or water.

#### After ingestion

Rinse mouth immediately and drink plenty of water.

#### Most important symptoms and effects, both acute and delayed

No information available.

#### Indication of any immediate medical attention and special treatment needed

Treat symptomatically.

#### 5. Fire-fighting measures

#### Extinguishing media

Revision No: 1

according to 29 CFR 1910.1200(g)

## **VITA ENAMIC Blocs, Disc**

Revision date: 06.03.2017

Product code: 270-US

Page 2 of 5

## Suitable extinguishing media

Co-ordinate fire-fighting measures to the fire surroundings.

#### Specific hazards arising from the chemical

Non-flammable.

#### Special protective equipment and precautions for fire-fighters

In case of fire: Wear self-contained breathing apparatus.

#### 6. Accidental release measures

#### Personal precautions, protective equipment and emergency procedures

Avoid generation of dust. Do not breathe dust.

#### Environmental precautions

No special environmental measures are necessary. Clean contaminated objects and areas thoroughly observing environmental regulations.

#### Methods and material for containment and cleaning up

Take up mechanically. Treat the recovered material as prescribed in the section on waste disposal.

#### Reference to other sections

Safe handling: see section 7 Personal protection equipment: see section 8 Disposal: see section 13

#### 7. Handling and storage

#### Precautions for safe handling

#### Advice on safe handling

No special measures are necessary.

Advice on protection against fire and explosion No special fire protection measures are necessary.

#### Conditions for safe storage, including any incompatibilities

#### Requirements for storage rooms and vessels

Keep container tightly closed.

#### Advice on storage compatibility

No special measures are necessary.

#### 8. Exposure controls/personal protection

#### **Control parameters**

#### Exposure controls

#### Protective and hygiene measures

Wash hands before breaks and after work. When using do not eat or drink.

#### Hand protection

When handling with chemical substances, protective gloves must be worn with the CE-label including the four control digits. The quality of the protective gloves resistant to chemicals must be chosen as a function of the specific working place concentration and quantity of hazardous substances. For special purposes, it is recommended to check the resistance to chemicals of the protective gloves mentioned above together with the supplier of these gloves.

#### Skin protection

Wear suitable protective clothing.

#### **Respiratory protection**

Do not breathe dust. Provide adequate ventilation as well as local exhaustion at critical locations.

according to 29 CFR 1910.1200(g)

## 10. Stability and reactivity

### **Reactivity**

No hazardous reaction when handled and stored according to provisions.

## Chemical stability

The product is stable under storage at normal ambient temperatures.

## Possibility of hazardous reactions

No known hazardous reactions.

#### Conditions to avoid

none

according to 29 CFR 1910.1200(g)

## **VITA ENAMIC Blocs, Disc**

Revision date: 06.03.2017

Product code: 270-US

Page 4 of 5

#### Incompatible materials

No information available.

#### Hazardous decomposition products

No known hazardous decomposition products.

## 11. Toxicological information

#### Information on toxicological effects

#### Acute toxicity

Based on available data, the classification criteria are not met.

#### Irritation and corrosivity

Based on available data, the classification criteria are not met.

#### Sensitizing effects

Based on available data, the classification criteria are not met.

#### Carcinogenic/mutagenic/toxic effects for reproduction

Based on available data, the classification criteria are not met.

#### Specific target organ toxicity (STOT) - single exposure

Based on available data, the classification criteria are not met.

#### Specific target organ toxicity (STOT) - repeated exposure

Based on available data, the classification criteria are not met.

rcinogenicity (USHA): No ingredient of this mixture is lister	ogenicity (OSHA):	No ingredient of this mixture is listed
---	-------------------	---

Carcinogenicity (IARC): No ingredient of this mixture is listed.

Carcinogenicity (NTP): No ingredient of this mixture is listed.

#### Aspiration hazard

Based on available data, the classification criteria are not met.

#### Additional information on tests

This mixture is classified as not hazardous according to regulation (EC) 1272/2008 [CLP].

#### 12. Ecological information

#### **Ecotoxicity**

Car

The product is not: Ecotoxic.

#### Persistence and degradability

The product has not been tested.

#### **Bioaccumulative potential**

The product has not been tested.

#### Mobility in soil

The product has not been tested.

#### Other adverse effects

No information available.

#### **Further information**

Avoid release to the environment.

#### 13. Disposal considerations

#### Waste treatment methods

#### Advice on disposal

Dispose of waste according to applicable legislation.

#### Contaminated packaging

Completely emptied packages can be recycled.

according to 29 CFR 1910.1200(g)
